ESY Extended School Year services are programs and services that assist the student in working toward the same goals and objectives that the student works on during the school year. ESY services are only provided for those areas on the current IEP where the student has demonstrated a) regression of skills during an extended school break and b) limited ability to benefit from re-teaching of skills after an extended school break. Regression Loss of previously attained skills documented by a review of the IEP goals, due to an extended school break.

Rate of Recoupment: Length of time required to re-learn skills following an extended school break.

Regression of Recoupment: Some students have disabilities that are likely to continue indefinitely or for a prolonged period. In this situation, interruption of the student's educational programming may cause regression, when coupled with limited recoupment capacity, rendering it impossible or unlikely that the student will attain the level of self-sufficiency and independence that would otherwise be expected in view of his or her disabling condition. (5 C.C.R. Section 3043.)

Directions The IEP Team shall determine the following in order to designate a student as requiring ESY as part of FAPE

Using input from staff and parents, answer the following questions

1. At the start of the school year, with a review period equal to that of general education students, was the student unable to regain skills lost over the break that would otherwise be expected in view of the student's disabling condition?
 Yes No If yes, specify what area(s)
2. Does this student display a loss of previously taught skills and an inability to regain those skills following interruptions in instruction during the regular school year, i.e., Thanksgiving break, Winter Break, and Spring Break?
 Yes No If yes, specify what area(s)
3. Is the current student at a crucial stage in learning a skill(s), such that an interruption in school program might cause loss of a skill(s) that the student would not be able to re-learn in a reasonable period of time in view of the student's disabling condition?
 Yes No If yes, specify what essential skill(s)
4. Is the student able to maintain the skills identified without Extended School Year?
 Yes No If no, specify what skill(s)
5. Does the student require ESY to continue to achieve at the level of independence that is expected in view of the student's disabling condition?
 Yes No

Note: refer to criteria specified on the ESY Worksheet pg. 2 if answer is "yes" on #5 above
