# COMMUNITY ADVISORY COMMITTEE

---

The Community Advisory Committee (CAC) for special education acts in an advisory capacity to the Humboldt- Del Norte Special Education Local Plan Area (SELPA) Executive Director and Superintendent's Policy Council. Parents, guardians, educators and interested community members are all welcome to join. Meetings are held throughout the year to discuss important topics and provide insight and input from the community to the SELPA Director and Policy Council related to Special Education in Humboldt and Del Norte Counties.

✦ Are you passionate about the education of children with exceptional needs?

✦ Are you interested in providing input on policy and systems supporting students receiving Special Education services in Humboldt and Del Norte Counties?

*Join our Community Advisory Committee!*

---

## THE COMMUNITY ADVISORY COMMITTEE

-  Provides input and makes recommendations on annual priorities, the SELPA Local Plan and professional development
-  Encourages community involvement. Parent and community members support with the development and review of systems in place to support students with disabilities
-  Supports activities on behalf of students with exceptional needs who qualify for special education services and programs
-  Is a great opportunity to connect with other individuals in our community who are passionate about the education of children with exceptional needs

---

## MEMBERSHIP & MEETINGS

-  CACs are composed of parents/guardians, educators, students, and adults with disabilities, and representatives of public and private agencies
-  All parents, guardians, and community members who are residents of Humboldt or Del Norte Counties are welcome to attend meetings
-  Interested meeting attendees can also go through the process of becoming a voting member of the CAC through appointment by their governing board
-  Meeting schedules and additional information can be found on the Humboldt- Del Norte website
