

Community Advisory Committee (CAC) Vision & Mission

CAC Vision Statement:

The CAC envisions an educational community where students with exceptional needs thrive, recognizing every student as a valued member of society.

CAC Mission Statement:

The CAC is a team of engaged parent/guardians, students, teachers, educational specialists, and community members that empowers families and fosters collaboration between homes, schools, and the community.

CAC Values:

Education

- We promote evidence-based practices and quality educational experiences
- We serve as a resource for families navigating special education services

Inclusion

- We create an inclusive support network connecting families, schools, and community
- We maintain an open forum for discussion, learning, and collaboration

Equity

- Students with exceptional needs are at the center of all our decisions
- We believe in the potential of every child with exceptional needs to learn and grow

Empowerment

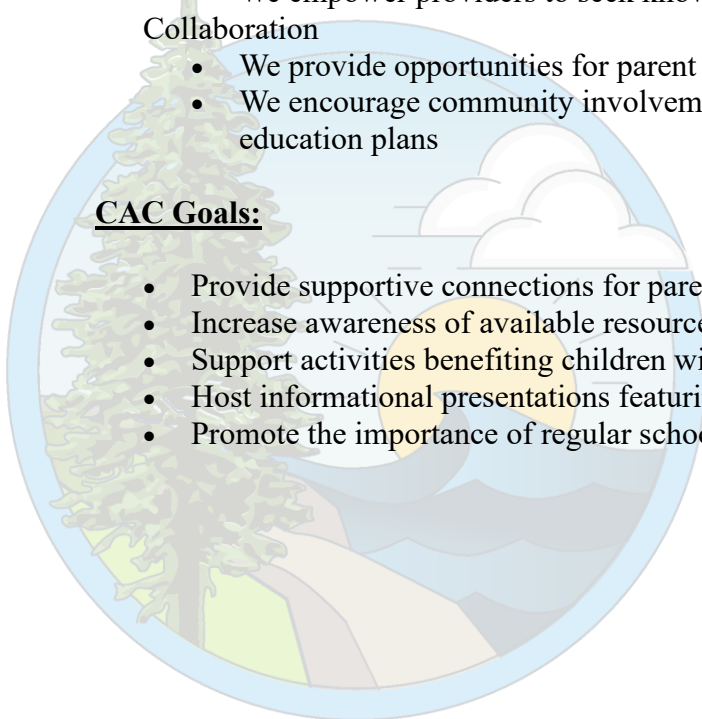

- We empower parents/guardians to be knowledgeable and effective advocates
- We empower providers to seek knowledge and tools to be effective educators

Collaboration

- We provide opportunities for parent education and professional development
- We encourage community involvement in developing and reviewing special education plans

CAC Goals:

- Provide supportive connections for parents and students
- Increase awareness of available resources and activities
- Support activities benefiting children with special needs
- Host informational presentations featuring committee reports and guest speakers
- Promote the importance of regular school attendance
